Cafe Gratitude Serves Up Thankfulness

I Am Gorgeous. I Am Terrific. I Am Magnificent.

No, these aren't self-affirmation phrases to make you feel better about yourself, they are actually menu items at the Cafe Gratitude, a California based organic restaurant that serves up a healthy portion of good eats and good thoughts.

But it does not stop there, the cafe also dishes out gratitude on their dishes with questions such as, "What are you grateful for?" and Questions of the Day like "What makes you ridiculously happy?" asked by the cashier as she hands you your change.

The philosophy at the Cafe Gratitude is you are what you eat. Gratitude is the organic, whole food of the spiritually healthy person.

Colossians 2:6-7

Therefore, as you received Christ Jesus the Lord, so walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving.

I love you all,

Tim
