## While You're Waiting

Ben Patterson once wrote, *"Waiting is not just the thing we have to do until we get what we hope for. Waiting is the process of becoming what we hope for."*

There are things to be learned while we wait on God that can't be learned at any other time. Things like learning to trust Him despite open ended circumstances, or to be content with what we have. These lessons, when embraced, will work in us a deeper level of trust and a greater capacity for resting in God.

So, while you wait for what you hope for, allow God to accomplish the thing for which He hopes--that you might become mature in Christ.

### **James 1:2-4**

***Consider it pure joy, my brothers, whenever you face trials of many kinds, because you know that the testing of your faith develops perseverance. Perseverance must finish its work so that you may be mature and complete, not lacking anything.***

I love you all,

Tim
