Global Thirst

We live in an age of unprecedented scientific advancement, and yet in the early years of a new millennium, humanity still sees death each day from unsafe drinking water. In fact, more people die each year from drinking unsafe water than all acts of violence combined. More than a billion people, one in every five on earth, do not have access to safe drinking water.

There is a need for us to get involved with providing safe drinking water to those who do not have it, but don't stop there. There is an even greater need than the world's need for clean water and it is their need for the "living water" promised to all who receive Christ as Savior.

John 4:10-14

¹⁰ Jesus answered her, "If you knew the gift of God and who it is that asks you for a drink, you would have asked him and he would have given you living water."¹¹ "Sir," the woman said, "you have nothing to draw with and the well is deep. Where can you get this living water?"¹² Are you greater than our father Jacob, who gave us the well and drank from it himself, as did also his sons and his livestock?"¹³ Jesus answered, "Everyone who drinks this water will be thirsty again,¹⁴ but whoever drinks the water I give them will never thirst. Indeed, the water I give them will become in them a spring of water welling up to eternal life."

I love you all,

Tim
