### **Stay In Your Call**

Most of us have had the frustrating experience of being on a road trip listening to our favorite radio station, when all of a sudden the radio signal begins to fade out. It usually happens during your favorite song or while listening to an interesting news story. You just crossed the boundary of the station's ability to reach you. Before long, all you hear is static.

The radio station has a limited radius for its listening audience. It is only intended to reach a targeted group of listeners.

The Bible encourages us to remain in the same calling in which we were called. We are not called by God to do everything, but we are certainly called to do something. So, be content to stay in your calling. Be your best, doing what you were made to do. God has called you to reach a target audience. He has a purpose in who He made you to be and in where He has placed you. Stray too far from these things and the signal will begin to fade and before long all you'll hear is static.

### ***Ephesians 2:10***

***<sup>10</sup> For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.***

I love you all,

Tim
