## My Swing, God's Power

I remember trying to play baseball with the "bigger kids" when I was a kid. Unable to swing the heavy bat and make contact, my dad would wrap his arms around me, take hold of the bat over my hands, and swing with power hitting the ball further than anyone. All I had to do was run the bases.

Too many believers are afraid to "step up to the plate." We often forget that we serve in His power. God longs to reach His arms around us and knock the ball out of the park. So if you are a Christian, just step up to the plate. Teach that class that God has been leading you to teach. Go on that mission trip God has been leading you to go on. Share your faith with that neighbor next door. And then just watch what God does through you as you run the bases of life.

### *Philippians 2:13*

***"For God is working in you, giving you the desire and the power to do what pleases him."***

I love you all,

Tim
