McNasty

In February 2009, a 27-year-old woman from Fort Pierce, Florida, walked into a McDonald's restaurant and ordered a 10-piece McNuggets meal. The McDonald's employee, after taking the order, then discovered that they were out of McNuggets. The employee told the customer that the restaurant had run out of McNuggets, and she would have to get something else from the menu.

The customer then become irate, took out her cell phone and called 911 to complain. The 911 workers, who were less than helpful, received a total of three calls for help from the disgruntled customer. Instead of McNuggets, all she got for her complaints was a ticket from police for misusing 911.

Anger can skew our perspective and twist our judgment. In this state of mind, mole hills quickly become mountains and what follows is seldom good.

Psalm 37:8

Refrain from anger and turn from wrath; do not fret—it leads only to evil.

I love you all,

Tim
