27 Contacts

The British journal of medicine reported in July of 2018 that a woman in England had 27 contacts removed from her eye. She would put them in but wasn't always able to find them, so she just assumed they had fallen out.

Actually, the lenses were slipping to the back of her eye and getting stuck. She just kept adding new ones in, and they piled up. But despite having 27 lenses in her eye, her vision was not 27 times stronger.

We can add more and more theological information to our minds, but if our hearts aren't transformed, it won't give us a clearer vision of God. Information without the Holy Spirit can't bring about the life that God desires.

Isaiah 44:18

They cannot comprehend or understand, for He has shut their eyes so they cannot see, and closed their minds so they cannot understand.

I love you all,

Tim

We will present these seniors with a Bible following the 10:45 service next Sunday, May 31st. We look forward to cheering for these seniors next Sunday, and celebrating their accomplishments! Laundry baskets will be ready to hold senior gifts, or you can mail them to the office.
- ❖ Thank you all so much for your prayers, calls and cards. I am improving every day. In Christian Love, Charles and Jessie McKone
