## It All Depends On Whose Hands It's In

You've heard it said many ways about many different objects and many different celebrities, but here it goes again ...

A basketball in my hands is worth about \$30; a basketball in Steph Curry's hands is worth a little over \$350 million dollars. A baseball in my hands is worth about \$7; a baseball in Clayton Kershaw's hands is worth about \$250 million.

The value of an object is often determined by whose hands it's placed in. My life in my own hands is worth nothing; my life in God's hands is of infinite worth and value. Place your life in God's hands.

### **Romans 12:1-2**

**Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship. <sup>2</sup>Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will.**

I love you all,

Tim
