Little Decisions

C.S. Lewis once said, *"Good and evil both increase at compound interest. That is why the little decisions you and I make every day are of such infinite importance. The smallest good act today is the capture of a strategic point from which, a few months later, you may be able to go on to victories you never dreamed of."*

Or in other words, the greatest point of leverage you have on eternity is right now. One of the last things my wife, Trish, tells our kids each time they end a conversation is, *"Make good choices"*. I think that is some of the wisest and best advice anyone could ever give someone else. So I encourage us all today, *"Make good choices."*

2 Corinthians 6:2

² For he says,

***"In the time of my favor I heard you,
and in the day of salvation I helped you."***

I tell you, now is the time of God's favor, now is the day of salvation.

I love you all,

Tim
