CENTRAL CHURCH OF CHRIST

January 17, 2010

Youth Sunday is set for February 21st. Starting next week we will profile in the bulletin a different member of our youth group, so that our congregation can hopefully get to know our youth better. I challenge each of you to take some time between now and the 21st of February, to get to know the youth of this congregation better, to encourage them to stay close to God and to continue to improve their relationship with Christ. I also encourage each of you to think and pray about what our congregation can do to change the statistics above. Remember our youth are the future of our town, or country and our church.

A WORD FROM BRUCE

This is the news report: Diane Fittipaldi, 2013 Sunset Lane, told Municipal Court Judge Levi Grantham that she had launched the attack as part of a long-standing feud with her husband about housekeeping. "Oliver is a horrible neat freak," Fittipaldi said, "and he drives me nuts about keeping everything tidy." After the couple argued about the proper alignment of table place settings, Fittipaldi rented a 3,000-pound, pneumatic tire forklift Tuesday evening and drove it through the front wall of their one-story frame house. According to neighbors who witnessed the incident, she used the machine to smash the dining room table. "Oliver yelled at me about where his fork was supposed to go," she said, "and I figured I'd fix it with a forklift." Neighbors said Fittipaldi seemed "wild-eyed" and distraught during the attack and kept screaming "FORK THIS!" at her husband, who took refuge in the kitchen. That's a true story. The moral of that story is never marry a woman who knows how to operate heavy machinery.

90% of the friction of daily life is caused by the wrong tone of voice.

[Leadership, Vol. 1, Number 4, p. 23.](#)

Proverbs 14:17 says, "A quick-tempered man does foolish things."

Proverbs 15:18 says, "A hot tempered man stirs up dissension."

Will Rogers said, "Whenever you fly into a rage, you seldom make a safe landing."

We will discuss a few thoughts on anger and how to avoid pitfalls in relationship.

YOUTH CORNER

by Matt

February 21st is our Youth Sunday. We are starting to profile each member of our youth group in the bulletin this Sunday. Please take time to get to know the youth of our congregation. Also please be praying for our Youth Sunday that is coming up. We thank each of you for your support of our youth program.

We would like to thank everyone who is involved with Friday Lunches for our High School kids. Each Friday ladies from this congregation take time out of their week to minister to the youth of our community and they do a GREAT job. Our Friday lunch program is averaging around 50 kids each week. This school year our ladies have feed 740 kids. That is amazing!!! So we thank each of you that work with this program, maybe you send food, or maybe you help cook each Friday or help clean up, we thank each and everyone of you for you dedication to our youth of this community. You are making a difference.

ATTENTION!!!

The Elders would like to remind everyone to please leave the parking in front of the Fellowship Hall open for the elderly and handicapped.

This would be greatly appreciated by those who need this convenience.
