The Time to Be Glad

A young man lives in the future,
An old man lives in the past.
For youth, time is moving too slowly,
For age, it is moving too fast.

A young man dreams of the gladness
The years just before him will bring.
An old man dreams of his pleasures
When life held the magic of spring.

But youth and age are in error!
The present alone can convey
The joy and cheer and contentment
We seek as we journey life's way.

Today is the time to be happy!
No matter how young or how old,
It's always today that must bring us
The blessings our fortunes unfold!

Lawrence Hawthorne

From *The Tulia Evangel*, September 9, 1982

We just wanted to say thank you. Thank you for living the way and showing what a faithful church body should be doing. So many churches don't live the bible, don't act the way the Lord intended. Since being here and watching and being involved in this church body, we have seen the Lord's way acted out; from recent financial help to parents for school supplies, to aimers support, to teens and families in need. This is so readily forgotten these days, yet churches don't grow. We need to invest in others daily. We do this daily to fulfill our callings. This church is growing on the vine. A church that follows the Holy Spirit will continue to add to their numbers.
