### God's Reason

I don't know just how to say it, but somehow it seems to me  
That maybe we are stationed just where God wants us to be;  
That little place we're filling is the reason for our birth;  
And just to do the work we do He sent us down to Earth.  
If God had wanted otherwise, I reckon He'd have made  
Each of us a little different, of a worse or better grade;  
And since God knows and understands all things of land and sea,  
I fancy that He placed us here just where He wanted us to be.  
Sometimes we get to thinking as our labors we review  
That we should like a higher place with greater things to do.  
But we come to the conclusion when the envying is stilled  
That the post to which God sent us is the post He wanted filled.  
And there isn't any service here on Earth that we can scorn  
For it may be just the reason God allowed us to be born.
