### **THE BIBLE SAYS...**

THE APOSTLE PAUL SAID... "Now the Lord is the Spirit, and where the Spirit of the Lord is, there is freedom" (2<sup>nd</sup> Corinthians 3:7). This year, May 29, is what we know as Memorial Day. It is a time to remember those who have sacrificed for our freedom. We must continue to remember that the freedoms that we enjoy are not free. Many of us enjoy freedom without it costing us anything. We must be careful to never take our freedom for granted. It cost somebody something, and for many, it cost them everything, even their own lives. We need to always remember those who have given their best and their all to keep us free. And we should keep in our minds and in our prayers those who continue to fight for our freedom even today. History tends to fade. That is why memorials are especially important.

The Bible has much to say about memorials and remembering significant events. There have been many wars through the years, defending the freedom of this country. Certainly though, the most important war to remember is the war against sin. Though it seems like this is a battle we face every day, we must remember that this war was won for us many years ago. When Jesus was crucified and then resurrected from the dead, He defeated sin and death. The power of the life-giving Spirit, through Christ Jesus, has freed us from the power of sin that leads to death (Romans 8:2). The price of freedom has never been higher. Jesus, the only Son of the Living God, paid it all with his own life. He asks us to believe in Him and to follow Him, abiding in the law of the Spirit of life. We should spend time every day thanking God for this tremendous gift of sacrifice, remembering that Jesus gave it all to give us this victory and freedom from sin.
