## **THE BIBLE SAYS...**

JESUS SAID... "If you abide in my word, you are truly my disciples, and you will know the truth, and the truth will set you free" (John 8:31-32). July 4<sup>th</sup> holds special significance to our nation. It marks the date, in 1776, on which the founding fathers signed the Declaration of Independence, declaring our independence from England and our determination to be a free and sovereign nation. This was a very important moment in time. Accordingly, we celebrate July 4th as Independence Day.

However, there is a far more important Independence Day. It is a far more significant moment in time. Jesus declared independence for His people from the power of Satan and the dominion of sin when He suffered and died on the cross to offer to us forgiveness of our sins. Jesus explains that His disciples are those who abide in His Truth, and this Truth will set them free. This passage is often quoted in our society. It seems to have taken on the idea of telling the truth. Though being truthful is important and goes hand in hand with what Jesus is saying, the Truth He is speaking of is the Truth of His word, which is the Bible, the Truth of the Gospel.

When we learn the Truth of the Gospel, we accept His offer of independence by turning to Him as our Lord and Savior, repenting of our sins and being baptized into Him (Acts 2:38). That moment in time is a Christian's Independence Day! We are set free from the guilt and condemnation and the dominion of sin. The blood shed by our Lord on the cross cleanses the soul of the guilt of sins. When we accept this gift of grace, we will be free indeed (John 8:36)! This is the greatest and most important moment of independence that we will ever experience or celebrate.
