He says, "I will declare your name to my brothers; in the presence of the congregation I will sing your praises." Hebrews 2:12

THE BIBLE SAYS...

APOSTLE PAUL SAID..." For God knew His people in advance, and He chose them to become like His Son, so that His Son would be the firstborn among many brothers and sisters" (Romans 8:29). There are various ways we relate to Jesus: as Savior, Lord, King, Creator, Son of God. Here we see that He is our brother. It may be just me, but we seem to not often think about Him as our older brother.

John 1:1-2 explains that the Word was God and was with God. It was when the Word was born into this world (verse 14) that He became the Son of God and was named Jesus. This began what the Bible describes as the household or family of God. Jesus was the firstborn. God then gave believers the right to also become His children, being "born of God" (verses 12-13). We also learn that we are adopted into the family of God (Ephesians 1:5). Being born into and also adopted into God's family is certainly different than the practices of this world.

Whether by birth or adoption, being in God's family is where the saved on earth dwell. God's family is synonymous with Christ's church, Christ's Body, and Christ's Kingdom. When we are born again, we are born into Christ (Galatians 3:27). We then are considered Jesus' brothers and sisters. As a perfect older brother, Jesus becomes a trailblazer of our salvation. He is an example for us to live by. Jesus, as our older brother, becomes our hero and our defender. He will do anything for us. He even died for us. He now understands us and even sympathizes with us. He knows our weaknesses and understands our temptations as He went before us and experienced it Himself. It is an amazing blessing to have a brother in Jesus. Let us not take it for granted and give thanks to our Father for sending Him to us.
