The Bible Says

Apostle Paul said, "And we, who with unveiled faces all reflect the Lord's glory, are being transformed into his likeness with ever-increasing glory" (2 Corinthians 3:18). When my sons were young, they were extremely interested in transformers. These were toys that looked like ordinary cars. They would move a few things around and the toy would transform into something completely different and spectacular. The movie industry turned this idea into several action movies, which were a thrill to my sons.

In the Bible, transformation means to change from a life that conforms to the ways of the world into one that pleases God. This is accomplished by the renewing of our minds. Evidence of transformation within us is seen in the way we increasingly reflect the likeness and glory of Christ, pointing out that God's people are transforming to the end of this age. The transformed life mirrors the Lord. This power of transformation comes from the Gospel message of God's word. The Bible teaches us to be humble like Jesus and Holy like God. It teaches us "to put off your old self, which belongs to your former manner of life and is corrupt through deceitful desires, and to be renewed in the spirit of your minds, and to put on the new self, created after the likeness of God in true righteousness and holiness" (Ephesians 4:22-24).

The apostle Peter provided us specific instructions on how we are to live out our transformed lives: "His divine power has given us everything we need for life and godliness, through the knowledge of Him who called us to His own glory and excellence" (2 Peter 1:3). God calls Christians to be transformed into His excellence and then He tells us how to do it. May we all learn of Him, renewing our minds, transforming from a worldly person, living for our own selfish desires, into a humble, spiritual, child of God, reflecting His glory.
