The Bible Says

Apostle Paul said, "I have been crucified with Christ and I no longer live, but Christ lives in me" (Galatians 2:20). This declaration of identity underscores the reality of all who have obeyed the Gospel of Christ and are His true followers. When we are born again, we become united in His death, burial, and resurrection. Paul describes this union in his letter to the Romans: "Do you not know that all of us who have been baptized into Christ Jesus were baptized into his death? We were therefore buried with him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life" (Romans 6:3-4).

This new life where Christ lives in us becomes our identity. Believing that Christ lives in us means we represent Him here on earth, imperfect though we may be. The expected result is a transformed lifestyle, thoughts, desires, character, and goals. Even the way we approach daily activities should change. Consider the example of a young man who gets married. His status as a married man naturally brings about changes in lifestyle, behavior, and attitude; otherwise, there would be a disconnect between his actions and his new situation. Similarly, a relationship with Jesus is transformative, affecting every aspect of our lives. We become His students, learning and applying His teachings. We love what He loves and hate what He hates. Becoming more like Jesus in each moment of each day is our ultimate objective and the generative meaning of Christ living in us.
