The Bible Says

Apostle Paul said, "Speak to one another with psalms, hymns, and spiritual songs. Sing and make music in your heart to the Lord..." (Ephesians 5:19). In this one passage, the Bible tells us all we need to know about singing when we are worshipping the Lord together. Singing is one of the most emotional aspects of our worship time together. When we properly sing to speak to one another, we are teaching and encouraging them because what we sing are to be the very words and sentiments from God's Word. These songs then elicit personal responses and reactions from our minds and hearts. The value of singing is found in its command by God. He knows that spiritual songs have an impact on our hearts and thoughts. So, when we sing and are sung to, we will reflect on our relationship with God and become more closely in tune with His desire for our lives.

We also learn from this passage that we are to sing and make music in our hearts to the Lord. Our Father is due all praise and honor both today and forever. He deserves constant and concentrated thanksgiving for who He is and what He has done for us. We do this in our prayer. We do this in the way we live our lives. He also wants us to do this in song, with our hearts. It is certainly noteworthy that God is a singer. We see Him singing to His people in Zephaniah 3:17 "God will take great delight in you, He will quiet you with His love, and He will rejoice over you with singing." May God find in our hearts a willingness to sing with enthusiasm, understanding, and love, with all thanksgiving. May God be exalted in our worship to Him.
