THE BIBLE SAYS

Jesus said, "With men this is impossible. But with God everything is possible" (Matthew 19:26). Jesus had described a scenario to His disciples that seemed entirely impossible. He then simply explained that God can do anything. The idea that power is inherent in prayer is a very popular one. According to the Bible, the power of prayer is quite simply the power of God, who hears and answers prayer. God Almighty invites His people to pray to Him. According to the Scriptures, prayer to God should be made persistently, in faith, with thanksgiving, from a heart right with God, within the will of God, and for the glory of God. God Almighty commands His children to pray this kind of prayer and promises to listen when they do (1 Peter 3:12).

Another popular idea is that the amount of faith we have determines whether God will answer our prayers. That would misplace the power. The power of prayer does not flow from us; it is not special words we say or the special way we say them or even how often we say them. The power of prayer is not based on a certain direction we face or a certain position of our bodies. The power of prayer does not come from the use of artifacts, crystals, candles, or beads. The power of prayer comes from the omnipotent One who hears our prayers and answers them. Prayer places us in contact with Almighty God, and we should expect almighty results, whether He chooses to grant or deny our specific petitions. Whatever the answer to our prayers, the God Almighty to whom we pray is the source of the power of prayer. He is unquestionably able and will answer us, according to His perfect will and timing.

And pray in the Spirit on all occasions with all kinds of prayers and requests. Eph. 6:18
