THE BIBLE SAYS

Apostle Peter said, "Be holy in all your conduct, because it is written, 'You shall be holy, for I am holy'" (1 Peter 1:13-16). Peter is quoting the very words of God from Leviticus 19:2. What does it mean that God is holy? God stands alone in absolute perfection. God is unlike any other, and His holiness is the essence of that otherness, uniqueness, and transcendence." His very being is completely absent of even a trace of sin. This holiness pervades God's entire being and shapes all His attributes. His love, mercy, and judgement are holy. These concepts are difficult for humans to grasp, as God is impossible for us to understand in His entirety.

So what does it mean for us to be holy like God? When God told Israel to be holy in Leviticus 19, He was instructing them to be distinct from the other nations by giving them specific regulations to govern their lives. God had set them apart as a holy nation, from all others, and gave them standards that they must live by so the world would know they belonged to Him.

When Peter repeats God's words he is talking specifically to His church. As His new chosen people, the church is "set apart" from the world. 1 Peter 2:9 describes the church as "a holy nation." He has called His church out of the world and requires them to be distinct and to show their love for Him by living by His standards. God knows that we cannot be perfect. This is where Jesus becomes the answer. Because of His sacrifice for our sins, holiness can be accomplished in Christ. When we are baptized into Christ, we are forgiven of our sins and take on His identity (Acts 2:38, Galatians 3:27). Jesus Christ then presents His church as holy, faultless, and blameless before God (Colossians 1:22).

Create in me
a clean
heart,
O God, and
renew a
right spirit
within me.
