THE BIBLE SAYS

God Lavishes Grace On Us

Apostle Paul said, "We have forgiveness of our trespasses, according to the riches of God's grace, which He lavished upon us" (Ephesians 1:7-8). God's grace is one of the greatest demonstrations of His love for us. Grace means that God gives us what we could never earn and provides what we could never obtain for ourselves. We cannot work our way into His acceptance, yet through Jesus Christ, God has opened the way for us to receive His abundant grace. God does not give His grace reluctantly or sparingly. He lavishes it upon us. God's grace is also greater than sin that can separate us from Him. Romans 5:20 explains that "where sin increased, grace abounded all the more." Although sin brought guilt and condemnation, God's grace provided a way for sinners to be forgiven and reconciled to Him. This does not make sin insignificant; it magnifies the greatness of God's provision through Jesus Christ. Our sin is great, but His grace is greater!

Ephesians 2:8-9 reminds us that we have been saved by grace through faith. Salvation is not a reward for our efforts but a gift flowing from God's generosity. There is no room for boasting, only gratitude for what God has done. The grace God lavishes upon us should change the way we live. We no longer must live under the burden of trying to earn His acceptance. We can rest in Christ's finished work, walk in grateful obedience, and extend grace to others because we have received grace ourselves. God has not given us the bare minimum necessary for salvation. In Christ, He has lavished His grace upon us according to the riches of His goodness. The more we understand the abundance of His grace, the more deeply we will love Him, trust Him, and desire to live for His glory.
