The Bible Says

Be Crucified With Christ

Apostle Paul said, "Having been buried with Him in baptism, in which you were also raised with Him through faith in the powerful working of God, who raised Him from the dead" (Colossians 2:12). Burial marks the end of a life. When we think about the burial of Jesus, we recognize that His body was placed in a tomb after His death on the cross. But Scripture also uses the picture of burial to describe an important part of our response to the gospel. Paul teaches that we are buried with Christ in baptism. This is not an empty religious ceremony; it is a response to the call of the Gospel. Romans 6:3-4 explains, "Do you not know that all of us who have been baptized into Christ Jesus were baptized into His death? Paul is teaching that this baptism connects us with the death of Jesus and places us into Him, His body, which is His church. (Ephesians 1:22-23).

Paul describes baptism as a burial. A burial follows a death; it does not precede it. In the same way, the Scriptures present baptism as the response of someone who has heard the gospel and believes in Jesus Christ and is crucified with Him. Burial also speaks of finality. We do not bury something intending to bring it back to life. In becoming a Christian, we must not treat our former life of sin as something to dig back up and casually return to it. God calls us to leave that life behind and trust Him to do what we cannot do for ourselves. Are you united with Christ, having been crucified with Him and buried that self with Him in baptism? Being buried with Christ in baptism is the identifying mark of God's people.
